

Chapter 24

FIREWORKS AND FIREARMS¹

§ 24-1. Permit required; application.

§ 24-2. Violations and penalties.

[HISTORY: Adopted Walton Village Board 6-3-35.]

§ 24-1. Permit required; application.

No person shall fire, discharge, set off or cause or procure to be fired, discharged or set off, any cannon, gun, pistol, skyrocket, Roman candle, blank cartridge, squib, chaser, torpedo or any other explosive article generally known as fireworks, in any of the streets or public places in the Village of Walton, without first having secured from the Mayor a permit so to do, which permit shall state the time when and the place or places where the discharge or firing of such fireworks is to be permitted. Application for such permit shall be addressed to the Mayor of the Village of Walton, New York, stating the time and place where the discharge of such fireworks is desired.

§ 24-2. Violations and penalties.

Any violation of this ordinance shall be disorderly conduct, and any person convicted thereof shall be a disorderly person and shall be fined as a disorderly person for such violation. Such fine is not to exceed fifty dollars (\$50.) for each offense.
